HM The Queen and Her Royal Highness The Duchess of Cornwall arrive in Barkingside on Tuesday

QUEEN VISITS BARNADO'S HQ

CROWDS braved a chilly winter's day in East London for a right Royal treat earlier this week.

They gathered at Barnardo's new headquarters in Tanners Lane, Barking, to welcome not one but two Royals visitors - Her Majesty The Queen and Her Royal Highness The Duchess of Cornwall.

The Queen, who is patron of the children's charity's, and

Camilla, its president, unveiled a plaque to commemorate the official opening of Barnardo's brand new office building on Tuesday afternoon.

Peter Brook, acting chief executive of Barnardo's, said: "This occasion marks a key moment in our history and allows us to show that the charity remains true to our roots, but is also fit for the future."

Girl, 13, raped on way home

DETECTIVES are appealing for information after a girl of 13 was raped in Dagenham.

The teenager was walking home along Becontree Avenue when she was grabbed and dragged on to a grassed area in Eleanor Gardens at about 9pm on Saturday, November 30.

Investigating officers said the girl believes that she was followed before being attacked.

The suspect was described as a tall, slim, white man who had stubble and facial hair.

Any witnesses to the attack or anyone with information that can help the investigation should contact DC Julie Russell at the Sexual Offences, Exploitation and Child Abuse Command on 101 or Crimestoppers anonymously on 0800 555 111.

Free decorating service for elderly and disabled tenants

By Paul Peterson

barking@yellowad.co.uk

A FREE painting and decorating service is being offered to elderly and disabled tenants.

The team, which has been created by Barking and Dagenham Council, has already helped out more than 50 people since September.

JOB WELL DONE: Resident Andy Lorimer and Cllr Mick McCarthy, shaking hands, centre, with the team. Below, Andy with painter and decorator Adam Nathan

Andy Lorimer, from Cornworthy Road, in Dagenham, who has been a council tenant for the last 35 years, has recently had his hallway and three bedrooms decorated by the team.

He said: "The workmen were so clean and tidy and they moved all the heavy things that I couldn't move. They've been terrific liaising with you all the time and checking to make sure we were happy."

The service is for tenants over the age of 65 or claiming disability benefits as long as they have a good tenancy record and no-one else living at the property who can decorate.

The council team will decorate a maximum of four rooms for qualifying tenants who will receive a visit to discuss the work. They will be able to choose either lining paper, which will be painted in a colour from a sample chart or patterned paper from a sample book.

Tenants who would like to see if they qualify for the scheme should call 020 8215 3019.

Paint me delighted!

Clean-up campaigners find toilet dumped in the street

We must flush out fly-tippers

By Paul Peterson

redbridge@yellowad.co.uk

TWO leading councillors were shocked to find a toilet dumped in the middle of the street.

Shoab Patil, cabinet member for environment, and deputy council leader, councillor Ian Bond, made the discovery as they launched a new clean-up campaign last Thursday.

The Lib Dems have put forward proposals for a series of Big Clean-Ups in parts of Ilford plagued with fly-tipping following the success of similar schemes in 2010 and 2011.

Mr Patil said: "The Big Clean-Ups make a real difference to the local environment by bringing together staff from cleansing, street scene and enforcement.

"We hope that the clean-ups planned for the Barkingside, Clayhall, Clementswood, Cranbrook, Fairlop and Valentines wards will be just as successful when we get started in spring next year."

The clean-up campaign from Mr Bond and Mr Patil also includes plans to buy three new portable CCTV cameras to tackle fly-tipping in the worst affected parts of the borough.

Mr Patil added: "The key to keeping these areas cleaner is for residents, community organisations and the council to work together to report and tackle the problems."

EVERYTHING IN THE GARDEN'S LOVELY: Garden Academy student Eszter Simavari at the Homebase store in Walthamstow

Picture by MARTIN DALTON

Eszter goes from DIY to the Chelsea Flower Show

A DIY store worker has been chosen to join a ground-breaking training scheme. Eszter Simavari, who works at the Homebase store, in Fulbourne Road, Walthamstow, has beaten hundreds of people across the country to become a student at the Homebase Garden Academy. The 35-year-old will work alongside a ward-winning designer Adam Frost to help him build The Homebase Garden, which will feature at the next RHS Chelsea Flower show. She said: "I'm thrilled to get a chance to show people

how passionate I am about the outdoors. I love being outside and seeing plants grow and develop, so when I hear about the academy, I knew it was a great opportunity to combine my hobby with my job." Eszter will continue to work at Walthamstow Homebase, but will also spend the next 10 months working at the academy where she will learn about garden planning and design. She will also develop practical horticultural skills to qualify for a RHS Level 1 Award.

FUTURE: An artist's impression of the planned Morrisons

New store will bring 450 jobs

MORE than 450 jobs will be created by a new superstore in Walthamstow.

Waltham Forest Council's planning department approved a £90million package including a Morrisons supermarket and 245 new homes.

The development will be built on the site of the 1.5 hectare car park in South Grove, close to the High Street, and the superstore will cover 73,500 square feet gross and include a car park on the ground floor. A promise has been made that three-quarters of the new jobs will go to people living in the borough.

Cllr Chris Robbins, leader of Waltham Forest Council, said: "This £90million investment is a

really significant step forward for the regeneration of the borough, bringing a brand-new food store to the heart of Walthamstow along with a number of other shops and 245 new homes.

"Most significantly of all, this will create around 450 new jobs that we will do our best to make sure local people are best placed to get.

"It's this impact, and the significant contribution that the developers will be making towards environmental improvements, schools and health that will make a really positive contribution to local people and the borough as a whole."

The development still needs to be approved by the Mayor of London.

The council claims the development will help improve the borough's economy, currently one of the worst in London.

Andrew Cooper, development executive at Morrisons, said: "We are delighted with this decision which is an important step in the planning process. We look forward to continuing to work with Waltham Forest Council and other stakeholders to deliver this exciting scheme."

**Royal Mail loves delivering and sorting parcels.
As we do every Christmas, our 124,000 postmen
and women are working very hard to deliver the
best possible service to all of our customers.**

They are asking you to help Royal Mail this festive season by posting as early as possible and to use the postcode. Customers should also post by the last recommended posting dates for Christmas delivery:

- **Friday 20 December for First Class items**
- **Wednesday 18 December for Second Class items**
- **Monday 23 December for Special Delivery items**

If you are posting abroad by Airmail you need to get to the Post Office if your cards and parcels need to arrive before December 25.

- **Friday 13 December for the USA**
- **Saturday 14 December for most countries in Western Europe**

The Universal Service means you can post for the same price everywhere across the UK for cards and parcels. After listening to customers, we have also extended our Small Parcel sizes. This means more items can now be sent as Small Parcels.

Customers also need to pay attention to what they can and can't post. New rules agreed with the Civil Aviation Authority, Department for Transport and the Maritime and Coastguard Agency were introduced earlier this year.

The good news is that previously prohibited items like perfume, aftershaves, nail varnish and alcohol, including whisky, can now be sent in the UK with Royal Mail. Please check when you post for packaging and quantity requirements.

International parcels cannot include alcohol such as whisky and spirits. Aerosols, perfumes, aftershaves, nail varnish and loose lithium batteries are also prohibited. Beer and wine can be sent but quantity and packaging restrictions apply. Everything must be sent through a Post Office branch.

**Customers can get full information on
what they can and cannot send via the

How to avoid Skid Row

THE ICE COMETH:
Read our tips on
staying safe in
wintry conditions

By Mike Torpey

THE first frosts of winter are already catching drivers unaware, especially in rural areas where icy patches can be difficult to spot.

Road safety charity the Institute of Advanced Motorists (IAM) is anxious for drivers to know how to cope.

IAM chief examiner Peter Rodger said: "Some bits of the country have already had a first taste of this year's winter."

"That means it's time for the rest of us to start thinking about how to deal with it too."

Here are his winter driving tips:

- Keep to the main roads as they're more likely to be salted.
- Bear in mind that after the frost has gone, ice can remain in areas which are shaded by trees and buildings "and it forms there first, so be careful as the temperature drops".
- It may seem obvious to say "but every year people forget, so ensure you have de-icer and a scraper".
- Don't be one of those people, still out there, who only scrape a small area and drive looking through a slit. "Clear the whole screen to be able to see properly."
- If the road is slippery when you start off, do it in second gear, releasing the clutch and accelerating gently, avoiding high revs

"as this will help prevent wheel-spin".

- As you drive, stay in higher gears to help avoid wheel-spin.

- In an automatic, be gentle with your feet, and use whatever gearbox features that the it has help in slippery conditions.

- Cars end up in ditches because drivers haven't taken icy roads seriously. If it's cold outside treat wet looking patches with great care as "they could be ice, not water".

- Stopping distances are increased by up to 10 times in icy conditions, so leave plenty of distance between you and the car in front. Don't rely on your brakes to stop – on ice they may not do that for you.

- If it is really slippery slow down early and use the gears to do it.

- If your car loses grip and starts to slide sideways, take your foot off the accelerator, and point the front wheels in the direction that you want to go.

Peter said: "These are just a few pointers to start you thinking. Being mentally prepared as well as having the right equipment is vital, so think about any problems you encountered last winter, and what you need to do to avoid them or overcome them if they recur this year. Be prepared for the worst. Icy conditions will affect accelerating, steering and braking."

COX STRIKE PUTS O'S IN CUP MOOD

**Leyton Orient 1 Walsall 0
FA Cup Second Round
By Rowland Lyons at the
Matchroom Stadium**

LEYTON ORIENT edged into the next round of the Cup – but at a cost after skipper for the day, David Mooney was dismissed for violent conduct deep into second-half stoppage time. They will travel to Championship strugglers, Yeovil Town, early in the New Year.

But, long before Mooney's early bath, Dean Cox – who was reportedly suffering from the flu bug that decimated the squad – hit the only goal of a game the visitors dominated, five minutes before the break.

With usual captain, Nathan Clarke injured and stopper Scott Cuthbert ill and boss, Russell Slade, watching the game from his flat overlooking the ground, it was left to assistant, Kevin Nugent, to assume the managerial reins for the day.

Despite a bright Orient start, the Saddlers seized the initiative and Graham Westcarr forced Jamie Jones into a splendid eighth minute

tip over, before winger, Ashley Hemmings saw his curler fly just wide.

Walsall continued to peg the O's back and Westcarr again went close, before another Cox sizzler gave the League One leaders an arguably undeserved 41st minute lead.

A fine Yohann Lasimant flick played in top scorer, Mooney, whose bye-line cut back was inadvertently helped on by Shaun Batt into the path of Cox, whose 10-yard curler sent the sparse home crowd wild.

After the break the pattern of play was much the same as Walsall – who ended the O's 100 per cent record back in September – were unable to find a way past a stubborn Orient defence, with Jones again pulling off a smart save to deny Hemmings from point blank range, before knowing nothing about a Westcarr free-kick that hit a post and Jones instinctively flung out an arm to fend off the loose ball.

Orient seemed content to run the clock down and in stoppage time –

having already been booked for time-wasting – Mooney appeared to foul marker Paul Downing – provoking a mass brawl – leaving referee, Kevin Friend, with no alternative but to brandish a red card.

The Orient defence then had to survive some nervous moments as the Saddlers threw men forward and should have got the leveller their industry deserved, but in the fifth minute of time added on they spurned two good, close range chances, to leave Nugent admitting: "We were down to the bare bones today and it was a very tough game and we had to be tactically aware – but it was a disciplined performance in a very tight game against a team that were very difficult to break down."

Nugent revealed: "Dean Cox started getting ill just before kick-off and was on his 'death bed' really – but he came on and got the goal. He was fantastic and deserves a lot of credit."

Orient's Elliot Omozusi admitted: "It was our aim to get the result to get in the next round. We did very well and you could see the effort

everyone put in today. Walsall are very well organized – and they can play as well – so the first goal was massive."

Former Orient star, and now Saddlers' boss, Dean Smith added: "I am disappointed and frustrated – really as the better team came away with nothing. It's disappointing we've gone out. On another day Westcarr's effort hits the post and goes in – but it wasn't our day."

■ Orient make the long trip to Bradford City this Saturday (kick-off 3pm).

ORIENT: Jamie Jones – Moses Odubajo, Elliot Omozusi, Mathieu Baudry, Gary Sawyer – Yohann Lasimant (Johnny Gorman 76), Romain Vincelot, Lloyd James, Dean Cox (Robbie Simpson 60) – David Mooney (captain) (sent-off 90), Shaun Batt (Harry Lee 84). Subs (not used): Jake Larkins (gk), Alex Finney, Sam Ling.

WALSALL: Richard O'Donnell – Ben Purkiss, Paul Downing, Andy Butler (captain), Andy Taylor – Craig Westcarr, Sam Martom, Adam Chambers, Nicky Featherstone (Romaine Sawyers 62), Ashley Hemmings (Troy Hewitt 82) – Milan Lalkovic (James Baxendale 71). Subs (not used): Shane Lewis (gk), Malvind Benning, James Chambers, Julian Gray.

Hullbridge stun Rovers

**Non-League round up
by Brian Jeeves**

HULLBRIDGE Sports progressed to the last 32 of the FA Vase after a stunning 1-0 victory over Essex Senior League leaders Great Wakering Rovers at Burroughs Park. Rory Clark grabbed the all-important goal early in the second period in front of a bigger than usual crowd of 142.

The Senior League's other representatives in the FA Vase were Haringey Borough. However, they found Thurlow Nunn Premier Division side Brantham Athletic just too strong, going down 3-2 in extra time, have held a 2-0 lead late in the tie.

League fixtures once again produced a sack full of goals. Sawbridgeworth led the way, sinking FC Romania 5-2, while Ilford thrashed Greenhouse London 4-0 and Enfield 1893 saw off Tower Hamlets 4-1.

Basildon United won their big local derby with Bowers & Pitsea. These games are always keenly contested and this was no exception. Hayes and Emika found the net as the Bees ran out 2-0 winners. At the Old Spotted Dog, Jerry Jerriette gave the famous Clapton Ultra's something to sing about as he scored the only goal of the game against a useful Barking side, while down the road London APSA recorded an impressive 3-1 victory over much fancied Takeley. Sporting Bengal United picked up a 3-1 win over Stansted and the two Manors, Southend and Eton played out a goalless draw.

In the Skriff Conference South, Chelmsford City secured a priceless victory over Basingstoke, Edmans finding the net late in the game. Elsewhere, Concord Rangers must be sick of the sight of Gosport Borough. The Beach Boys FA Trophy conquerors recorded a 2-0 win at the Aspects Arena in front of a 203 crowd.

The Ryman Premier League saw mixed results for the regions teams. Canvey Island saw off East Thurrock United in an entertaining local derby at the Prospects Stadium. Hopkins first half goal gave The Rocks the lead before Curran and Bartley saw the Gulls home.

Leaders AFC Hornchurch won by a single Stefan Payne goal at Hendon, while Grays Athletic triumphed 2-0 against Harrow Borough. Billericay Town slumped to a disappointing 1-0 defeat to Lewes at New Lodge.

There was a dramatic late winner for Burnham Ramblers at Brentwood Town, Neil Richmond producing the only goal in the 88th minute. Witham Town saw off VCD Athletic 4-1 and Thurrock won 2-0 at Dereham.

Redbridge went down 4-1 at Chatham Town and there was a clutch of 2-0 defeats for Barkingside (v Soham Town Rangers), Heybridge Swifts (v Waltham Forest) and Aveley (v Harlow Town)

Pay what you want

NEXT Saturday, December 14, Chelmsford City are inviting fans to "pay what they want" for admission to their Skriff South fixture with Hayes & Yeading at Melbourne Stadium. The match kicks off at 3pm and their will be a Christmas fayre starting at noon.

Waltham Forest Under 8s get underway

Hockey

SATURDAY saw the first ever competitive game for the Waltham Forest Under 8s. The team (tentatively being called The Saplings) have been playing informally for a number of weeks on alternate Saturday mornings but last weekend they took on Old Loughts A and B teams in a small and very friendly tournament.

The first game against Old Loughts proved to be a tough battle for the Saplings, who despite a number of good chances and adventurous play fell behind early and eventually lost 0-4 to a well drilled side.

Not to be deterred, coach Philippa Leguen de Lacroix called her team in for a quick pep talk and a tweaking of tactics and they were ready to brave the Old Loughts Bs.

The Saplings started brightly with Abigail and Cole quickly linking up with some excellent passing before Cole opened the scoring. Old Loughts fought back and despite some solid resistance, they found their equaliser. The Saplings in turn upped their game, with playmaker Kayden playing a lovely through ball to Abi to slot home.

U8s L to R Kayden, Cole, Reggie, Daniel, Oscar, Abigail, Rose

Again Old Loughts pressed, and despite excellent defending from Oscar, drew level again. 2-2 with a minute left, the Saplings took to the offence with Kayden, Abi and Cole connecting well before Reggie found himself in space on the left to shoot and score the under 8s first ever winner.

The tournament was played in excellent spirit and is just a small part of the Waltham Forest Hockey Club Youth programme that encourages young people to keep active and grow through sport. Importantly it was a great start from The Saplings who are now looking forward to another set of games in the new year.

Arsenal academy treat for seven a side teens

Junior Football

A DAY out at Arsenal FC's academy facility in Walthamstow awaits eight schools across Essex in February after they battled through their regional Under 11s 7v7 Cup Qualifiers in November.

For Moulsham Junior, one of the Outer Essex qualifiers in the Under 11s seven-a-side Girls Cup, 2013/14 will be their third consecutive season at the county finals, and manager Emma Ireland revealed that her team are already looking ahead to

the event.

"The girls were ecstatic to find out they had qualified for the county finals, and even more excited when they found out where it would be held," she said.

Moulsham will be looking to go one better than last year, when they missed out on qualification for the South-East England Regional Qualifiers following defeat to Bournes Green.

Moulsham, who will take their place at the Gunners' Academy Dome alongside Heycroft Primary

after they defeated Notley Green on penalties, enjoyed a 100 per cent record at the event, and Ireland was full of praise for the way that the competition at Beacon Hill Rovers FC's Wickham Bishops Sports Ground was organised.

Two weeks previously, Langtons Junior Academy and Sandringham Primary made it through from the London Borough finals, which took place at the London Marathon Playing Fields in Fairlop. Essex County Schools FA Chairman Mike Spinks was available at both events to hand

out medals to the winning schools.

The quartet will be joined in Walthamstow by the four qualifiers in the Malcolm Moffatt Trophy, the Under 11s 7v7 competition which has run in various guises since 1978.

Now in its 36th season, Ardleigh Green Primary and Engayne Primary from the London Boroughs and St Michael's Junior and Latton Green Primary, who secured their passage via the Outer Essex event at Shrub End in Colchester, will be competing for the silverware this term.
